FEDERAL COMMUNICATIONS COMMISSION

To: Office of the Secretary, Marlene Dortch

SUPPLEMENT TO PETITION FOR RULE MAKING

MissAla RF, hereby supplements its Petition for Rule Making
filed on April 26, 2002 with the following:

The Petition requested that the Commission amend the FM Table
of Allotments to allot a new station to Frisco City, Alabama on
Channel 278A. In order to provide service on Channel 278A at
Frisco City, Alabama, MissAla indicated that Station WUSW(FM),
Hattiesburg, Mississippi must to be downgraded from Class C to
Class C0 pursuant to Section 1.420, Note 2 of the Commission's
Rules. However, upon reviewing the Petition, MissAla noticed that
it failed to certify that no alternative channel is available for
the proposed service at Frisco City. Therefore, the purpose of
this Supplement is to certify that a study was performed and no
alternative channel is available for the proposed service at Frisco
City. The Petition also requested that the Commission promptly
issue an order to show cause to Clear Channel Broadcasting
Licenses, LLC, licensee of Station WUSW(FM), as to why Station
WUSW(FM) should not be downgraded to Class C0 pursuant to Section
1.420, Note 2 of the Commission's Rules. Station WUSW(FM) is
currently operating at an HAAT below the 451 meter minimum for
Class C stations. 47 C.F.R. § 73.211.

MissAla reiterates that if the Petition is granted, it will
file an application for Channel 278A at Frisco City, Alabama.
